Fielder Elected by 30,000, but  
the Old Machine Holds  
Balance of Power.

### CAN BLOCK GOVERNOR.

(Special to The Evening World.)

James F. Fielder carrying the State for  
Governor by a plurality of about 30,000  
over Edward C. Stokes, the Repub-

## TRY POSLAM OVERNIGHT FOR PIMPLES

Great is the im-  
provement to be  
noticed even after one  
overnight applica-  
tion of Poslam for  
any skin trouble.  
Pimples, rashes,  
red noses, inflamed  
complexions, etc.,  
respond so readily  
to this remarkable  
remedy that its effects are often termed  
magical by those who use it.

Its highly concentrated healing power  
enables Poslam to quickly relieve, con-  
trol and eradicate eczema, acne, salt  
rheum, itch, etc. Many of the worst  
cases are disposed of in a week or two,  
itching stops at once.

POSAM SOAP, medicated with Pos-  
lam, is unequalled for the skin, not only  
when disease is present, but as the safest  
and most beneficial soap for daily  
use, toilet and bath. Soothes tender  
skin. Never irritates.

All druggists sell Poslam (price 50  
cents) and Poslam Soap (price 25  
cents). For free samples, write to the  
Emergency Laboratories, 32 West 25th  
Street, New York City.

lican nominee, and the Senate and  
House of Assembly Democratic. New  
Jersey has endorsed the policies of  
President Wilson in this State, but the  
control of the lower house has been  
placed in the hands of the Smith-  
Nugent faction of Essex County—a fac-  
tion strongly anti-Wilson.

The Assembly will stand thirty-  
six Democrats to twenty-four Republi-  
cans, and of the thirty-six Democrats eight  
are Smith-Nugent men, which gives  
them the balance of power. They can  
control the Assembly, dictate the elec-  
tion of a Speaker and block the Senate  
and the Governor at every turn. The  
Senate stands eleven Democrats to ten  
Republicans.

The Democratic Legislature will re-  
tain in the hands of the Democrats the  
State's four State Comptrollerships. This  
position as well as several other im-  
portant places is to be filled by the  
Legislature next spring, and there will  
be a bitter fight for them between the  
Smith-Nugent faction, representing the  
Democratic reactionaries of the State,  
and the progressive Democrats, which  
include the Wilson men. It is likely the  
present State Comptroller, Edward I.  
Edwards, will be the candidate of the  
anti-Wilson element, while the Wilson  
wing will endeavor to elect an out-and-  
out progressive Democrat.

Colby, Progressive, for Governor,  
polled only about 6000. Stokes lost his  
home town, Millville, and his own coun-  
ty, Cumberland, through the Progressive  
vote. Among the Democratic Senators  
elected is Charles O'Connor Hennessy,  
of Bergen County, a brother of John A.  
Hennessy of New York.

### MOVED, BUT REGISTERED.

Lawyer Held in \$1,000 Bail on  
Charge of Illegal Registration.  
Horace Byrnes, a lawyer, with offices  
in the Woolworth Building, was held  
in \$1,000 bail by Magistrate Campbell  
in Harlem Court today on a charge  
of illegal registration. Byrnes regis-  
tered from No. 508 West One Hundred  
and Fourteenth street on Oct. 18,  
though he had given up his apartment  
there on the first of that month and  
had some of his goods in storage. His  
defense is that some of his valuables  
still remained at the One Hundred and  
Fourteenth street address and that after  
moving on Oct. 1 he had not taken up  
any other established residence.

Despite the fight made on him by the  
friends of ex-Gov. Sulzer, Aaron J.  
Levy, former Assemblyman, was elected  
Judge of the Second Municipal Court  
District by 466 votes over Gustav  
Hartman, his Fusion opponent.

David Goldstein, Progressive candi-  
date, ran a poor third in the race.  
As Chairman of the Assembly Board  
of Managers, which formulated and  
pressed the impeachment proceedings  
against Sulzer, Levy was made the  
target of Sulzer's bitterest fight, and  
the narrow margin by which he was  
elected shows how effective was the  
war on him.

### COURT PROTECTS TITLE.

Rules City Must Notify Owners of  
Liens on Property.  
Supreme Court Justice Seabury today  
in commenting upon the case of  
Schwartz vs. Eckenfelder, in which the  
holder of a tax lien sold by the city  
is attempting foreclosure, made it clear  
that from his point of view, the city is  
bound to serve upon owners of property  
notice of liens against them.

Counsel for the defendant claimed  
that his client had applied for his tax  
bills and had paid bills before and after  
date of the assessment for which a lien  
had been sold. He said that no bill for  
the assessment had been rendered his  
client, and that the city had not notifi-  
ed him that such a claim existed be-  
fore selling the lien.

"If that be he cannot be divested of  
his title," said Justice Seabury. Pa-  
pers were received and decision re-  
served.

The final vote follows:  
LEVY, HARTMAN, GOLDSTEIN,  
(D., L. L.) (Rep.) (N. Prog.)

This Is Guaranteed to  
Stop Your Cough

Makes This Family Supply of  
Cough Syrup at Home  
and Save \$2.

This plan makes a pint of better  
cough syrup than you could buy ready  
made for \$2.50. A few doses usually  
conquer an ordinary cough—relieves  
even whooping cough quickly.

Mix one pint of granulated sugar with  
1/2 pint of warm water, and stir for 2  
minutes. Put 2 1/2 ounces of Pinex (fifty  
cent's worth) in a pint bottle; then  
add the Sugar Syrup. It has a pleasant  
taste and lasts a family a long time.

You can feel this take hold of a cough  
in a way that means business. Has a  
good tonic effect, braces up the appetite,  
and is slightly laxative. A handy rem-  
edy for hoarseness, spasmodic croup,  
bronchitis, bronchial asthma and whoop-  
ing cough.

The effect of pine on the membranes  
is well known. Pinex is a most valu-  
able concentrated compound of Norwe-  
gian white pine extract, and is rich in  
guaiacol and other natural healing pine  
elements. Other preparations will not  
work in this combination.

This Pinex and Sugar Syrup remedy  
has often been imitated, though it ver-  
succeeds. It is now used in more  
homes than any other cough remedy.

A guaranty of absolute satisfaction or  
money promptly refunded, goes with  
this preparation. Your druggist has  
Pinex or will get it for you. If not, send  
to The Pinex Co., Ft. Wayne, Ind.

This New Style "L" Walters Piano is a  
masterpiece of the piano makers' craft.  
The scale is more even than in most pianos;  
the volume of tone is the fullest that can  
be obtained in an upright piano. At the  
same time it possesses a rare delicacy,  
clearness and refinement. The action is  
of the latest type and responds promptly  
to the touch of the most skilled pianist.  
It is truly an ideal instrument for refined  
homes, and cannot be matched elsewhere  
for \$350.00 or more.

We say without hesitation that this ex-  
quisite new 88-note Player-Piano is the  
equal in construction and workmanship  
of Player-Pianos sold elsewhere for \$550.00  
or more. It is a masterpiece of mechanical  
ingenuity. It contains a perfect system  
of double valves; the tubings are of metal,  
which is more durable than rubber. The  
expression devices are the very latest known  
to modern Player-Piano construction, en-  
abling any one, without any previous  
knowledge, to play the Piano like a skilled  
artist.

Come to Bloomingdales' to-morrow and take advantage of this  
wonderful Election Week Sale if you want to secure one  
of these new and beautiful 1914 Models at a price lower,  
in all probability, than you will be able to buy it for

The Tremendous  
Popularity of the

is due solely to their won-

and artistic capabilities. As  
the sole owners of the Wal-
